

## SPOTLIGHT

### Kathryn L. Gamble

Marketing Coordinator

***A.K.A., Katie, Kate, Katie Ketchup, Gamble or Gam Gams ... Grew up near a farm in Charlton, MA ... Likes poached eggs on corn beef hash.***

Katie is the Firm's Marketing Coordinator. She joined Mirick O'Connell in August of 2005.

One of her favorite hobbies is to play Bingo on her Kindle – maybe that's why one of her favorite MODL memories is when we had the “casino night” at the Firm's holiday party (her lucky number is 7)!

Anyone who knows “Gam Gams” knows that she takes her food seriously. She might start her day with an egg sandwich at Café Manzi, followed by a late morning snack of chips and salsa, lunch would take her The Boynton for her favorite ‘well done’ pizza of bacon (and, according to Kate, ‘bacon makes everything better!’), pineapple and extra sauce. When 3pm hits, she usually grabs herself a green tea with ½ scoop of sugar and a piece of dark chocolate. Gamble is very close to her family: mom Kathy, step-dad Kevin and brother Ben. She likes to have weekly dinners at her mom's house for her favorite filet mignon, steamed asparagus and her mom's famous twice baked potatoes.

Katie's favorite shows include Modern Family and Late Night with Chelsea Handler. In fact, Chelsea would probably play Katie if there were to be a movie about Katie's life!
